

E-Sign Consent to Use Electronic Records, Disclosures and Signatures

In this E-Sign Consent to Use Electronic Records, Disclosures and Signatures ("Consent"), please remember that "you" and "your" refer to the person who is establishing an account, as well as any future accounts, with us, and "we", "us" and "our" refer to Beagle Invest LLC ("Beagle Invest", the successor investment adviser to Beagle Financial Services Inc.). "Communications" means each disclosure, notice, agreement, fee schedule, statement, record, document, and other information we provide to you, or that you sign or submit or agree to at our request.

By opening an account with us (each an "Account" or a Beagle Account) and then accessing your Account, you are consenting to the following terms:

1. Acknowledgement

In our sole discretion, the Communications we provide to you, or that you sign or agree to at our request, may be delivered to you in electronic form ("Electronic Records"). You specifically agree to the electronic delivery (i.e. the receipt and/or obtaining) of Electronic Records and Disclosures from the Company. The term "Electronic Records" includes, but is not limited to, any and all current and future notices and/or disclosures, prospectuses, statement of additional information, annual and semi-annual reports that various federal and/or state laws or regulations require that the Company provides to you, as well as such other documents, statements, data, records and any other communications regarding your relationship to the Company. You acknowledge that, for your records, you are able to retain the Company's Electronic Communications by printing and/or downloading and saving this Consent and any other agreements and Electronic Communications, documents, or records that you agree to using your electronic signature ("E-Signature"). You accept Electronic Communications provided via your account with the Company as reasonable and proper notice, for the purpose of any and all laws, rules, and regulations, and agree that such electronic form fully satisfies any requirement that such communications be provided to you in writing or in a form that you may keep.

2. Your consent to E-Signature

You acknowledge you are signing this Consent, the Customer Agreements and the Customer Brokerage and Custody Agreement with an E-Signature. You agree your E-Signature is the legal equivalent of your manual signature on this Consent, the Customer Agreements and the Customer Brokerage and Custody Agreement. You consent to be legally bound by this Consent's terms and conditions. You also agree that no certification authority or other third-party verification is necessary to validate your E-Signature and that the lack of such certification or third party verification will not in any way affect the enforceability of your E-Signature or any resulting contract between you and the Company. You represent that you are authorized to execute this Consent, the Customer Agreements and the Customer Brokerage and Custody Agreement for all persons who own or are authorized to access any of your accounts and that such persons will be bound by the terms of this Consent, the Customer Agreements and the Customer Brokerage and Custody Agreement.

3. Withdrawing consent to E-Signature

This Consent will apply on an ongoing basis unless you withdraw this Consent. You have the right to withdraw the Consent to Electronic Records and the use of your E-Signature at any time. You acknowledge that we reserve the right to restrict or terminate your access to Beagle

Invest, including without limitation the Beagle website (“Website”), if you withdraw the Beagle E-Sign Consent. If you wish to withdraw your Consent, contact us at support@meetbeagle.com.

4. Hardware and software requirements

To receive the Electronic Records, you will need a computer or mobile device with a compatible operating system and web browser, and connection to the Internet, and you will need access to a printer or the ability to download information to keep copies for your records. Changes, if any, to these system hardware and software requirements will be updated on the Website. You must periodically refer to the Website for current system requirements. By establishing and then accessing an Account, you are indicating that you have the capability to access the agreements and other information, including the disclosures, and download or print copies for your records. You are responsible for installation, maintenance, and operation of your computer, mobile device, browser and software. The Company is not responsible for errors or failures from any malfunction of your computer, browser or software. The Company is also not responsible for computer viruses or related problems associated with use of an online system.
